## I6 BBC News para todos

### Details

Type:	Test	Status:	WIP (View Workflow)
Priority:	9	Resolution:	Unresolved
Labels:	None		
Environment:	<a href="https://www.bbc.co.uk/news">https://www.bbc.co.uk/news</a>		

### Description

Click on <https://www.bbc.co.uk/news>

On the **Home Page** add assertion for the following:

- **Sign In** Icon at the top of the screen
- England, N.Ireland and Scotland (sub sections of Home)

Then Click on the **Sign In** icon and assert the following on the page:

- Email or Username
- Password
- Sign in
- Need help signing in? (Enter a password of @@@@ in the password field and click **Sign In**)

#### Add assertions for the following:

- Something's missing. Please check and try again.
- Sorry, that password is too short. It needs to be eight characters or more.

**Documentation:** Please describe in a README.md file how to run the test(s) and any other additional info needed about any assumptions you make.

### Checklists
